Italian Rice Salad

Ingredients

- 1 Kg Arborio or Paraboiled rice
- 1700 g Regina Mix
- Wurstel, peas, tuna, feta cheese or every ingredient which tickles you fantasy
- Extra virgin oil, salt, pepper to taste

Cook the rice in salty boiling water following the package instructions.

Drain it well and rinse it under cold water to get rid of the starch. Keep aside to cool down completely.

Drain the Regina Mix. Put it in a big bowl (if you want you can mix it with the other selected ingredients).

When the rice is cold, add it to the bowl. Season with 2 tablespoons of extra virgin olive oil, salt and pepper to taste. Mix well.
